A stress-free alternative to boarding

- 🐾 No time wasted travelling to and from the kennel. You don't have to arrange departure/return dates around pets. Just leave for your holiday and your pets will be there to greet you when you get home!
- 🕒 You receive daily updates on what your pets are up to @ home.
- 🐾 Your pets get to stay in their own familiar environment, relaxed, not having to contend with other unknown pets.
- 🐾 Disease risks are reduced.
- 🐾 And most of all it's a fun experience for your pets - with walks, play, games, and heaps of cuddles and belly rubs.

Peace of mind @ home

By having your pets @ home receiving regular visits, along with security checks, mail collection, wheelie bin collection, and little things attended to, all adds to peace of mind while you're away.
